Attach extra sheets if necessary.)

Now comes Amador Davis Jr. and (1 of 8)
plaintiffs. I have tried to gain fairness,
equal treatment, and transparency from
the Western Regional Jail for myself and
the inmates who were also involved in a
Major issue that occurred on 3/29/20.
However, I am left with no resource but
to submit this complaint. In this I

shall outline a number of facts and (2 of 8)
issues alone. Not hyperbole nor conjecture

plaintiffs minus Toney and Jordan III were
alleged to have been involved in a Assault

V. Relief

State briefly exactly what you want the court to do for you. Make no legal arguments.
Cite no cases or statutes.

I request \$1,000 dollars for everyday
I spent in the hole. \$100,000 for being
subjected to Systemic Racism, denial of
due process pain and suffering while
inside segregation as I have previous heart
and mental issues staff's indifference in
exposing us to the possible Covid issues
and bringing Toney into the pool, a culture
of fear that I have to live with and

"White" inmates. All of the "white" inmates escaped discipline and culpability. All of the black inmates, including myself were taken to the hole within a 24 hour period. When asked why no white inmates who were also involved were going to the hole, the Lt. Diamond said it was quote "still under investigation", yet there was no need to investigate any further, besides the review of the video tape, when it came to all of the alleged black participants. But more investigation "was" needed when it came to the "white" inmates. All of the black participants were written up as a 1.08 write up. This states (possession of a weapon). When it should have been a 1.02. Accordance with the charge Assault and Battery. On 4/4/20, I had a conversation with C.O. / Hearing officer Mr. Smidcot, he told me if I took a "plea" that the jail would drop it to a Fight. I declined the "plea" and he then brought me a continuance signed by Sgt. Brewer. I was told that I would receive a hearing on the following week, but this date came and went. On 4/15/20 I submitted a grievance which was never returned. On 4/27/20 I submitted another one, this one had no response to it, but had a # 20-WRJ-A5-292 listed. After doing several more weeks in the hole, I received a refusal

order on the ticket because it was alleged that I would not leave the hole. I was found guilty and appealed it on 5/15/20 and turned it into C.O. Starberry. Never did I receive a response on that. I have all documentation on these things and can prove easily if required. Not only was the tickets written up wrong, but my ticket had the wrong C.I.D.# on it as well. Lt. Davis personally identified all of the black inmates yet wasn't able to identify any white inmates, interesting? I was forced to do 8 weeks in the hole without due process. All of the inmates except the two (Rodney Toney, and Stewart Longworth Fordan III) were involved in this event on 3/29/20. We were discriminated against, based on our race and subjected to punishments for alleged misconduct deemed acceptable for white prisoners.

Issue 2.) I would like to include Major Fleming, D.O.C, and outside prison, and Ms. Amanda A, all failed to respond to the claims that have been made against this jail. Wrongful action, or theft of my property occurred when I was supposed to receive a Book. I asked to see the

the policy and why my book was unacceptable. I was told that the policy was for staff only and not inmates. Additionally after contacting outside prea, we were all told to lockdown for a flex count, when other prisoners asked why we are being locked down a C.O. said "ask Davis" I believe they were doing this so other inmates would afflict violence against me in attempt to silence me for writing multiple outside prea.

Major Flemings priority seems to be keeping a book "White Fragility" from me and not violence due to race interesting? Which brings me to my next issue.

Issue 3.)

In this jail there are many pods that will not allow any minorities. In 2013 I had suffered many injuries that required hospitalization at St. Mary's from 8 white inmates in F4 pod. Black inmates are assaulted viciously and often if placed on the pods, and the staff condone it and does nothing to eliminate this behavior. If attempted to be placed on the racist pods, white inmates shout out sayings for example (This is Sparta) to deter black inmates from entering that

pod.

(6 of 8)

Issue 4.)

Happening at the moment is my cell mate (Stewart Longworth Jordan III.) He has been suffering from a serious case of Athetes Feet. He is in pain, and both he and I have requested help and attention for him. The nurse gave him a foot cream but it is ineffective and we were both told that Mr. Jordan would receive an alternative treatment for him but still no treatment week's later, Mr. Jordan is still currently suffering.

Issue 5.)

In this Major issue Rodney Toney's left arm was so infected that I had to inform nurse Ashley V. and C.O. Wiley during temp check's about his condition. I told them that if they did not get him help to be treated that whatever happened to Mr. Toney would be on their hands. Over an hour later he immediately had to get hospitalized. I seen and witnessed 4 days after Mr. Toney being gone was brought back into B5 pod ignoring the 14 day quarantine and exposed all

of all other inmates to more exposed virus. I have emailed Outside pres about the unsanitary conditions in the midst of the pandemic, but yet nothing has happened or helped the unsanitary condition here. I'm a 40 year old Black man who has had 2 open heart surgeries and I'm most vulnerable as are other Black men. This facility has stopped making a effort to keep us Covid-19 free, they've stopped coming into our pod to spray bleach everyday and they also stopped giving inmates Anti-bacterial bar soap. Again I do not feel safe with how this facility is protecting me in this case from an outside virus.

Issue 6.)

Additionally something to inform you about, the temprature I says its roughly 75° in the pod all day, yet it doesnt messure the temprature in the cells. We can not breathe, its atleast 10° hotter when the cell doors are closed. And please do not insult my intelligence by using pandemic as an excuse faern temperture as it is a cool 67° in the hallways. If it were warm all over then this wouldnt be an issue but its not staff are

 comfortable, we suffer.

I've recieved no response. I've asked why there are no black cooks in the kitchen and why they dont move beyond dishwashers aswell. To the best of my know ledge there are no black women who work here either. Please feel free to see all relevant emails via F.O.I.

"IN ADDITION, AT 3:15 AM ON 8/3/20 I
 HIT THE "BOX" TOO INFORM STAFF PRICE
 & COX THAT MY CELL MATE & I WERE EXTREMELY
 HOT. SO MUCH SO MY NOSE BLEED. WE
 WERE IGNORED AT BOX AT 6:05 AM I
 INFORMED STAFF JORDAN (MY CELL MATE)
 WAS VOMITTING & THAT THE HEAT WAS
 SIMPLY UNBEARABLE. MEDICAL STAFF WERE
 PRESENT BUT WOULD NOT ENTER POD TO
 CHECK ON JORDAN TO ENSURE HIS WELL BEING.
 AS WE SPEAK HE IS LYING IN A POOL OF SWEAT,
 AFTER I PUT HIM IN THE SHOWER TOO COOL
 OFF & CHECKED HIS VOMIT UP. THESE PEOPLE
 ARE SIMPLY HEARTLESS NO OTHER WAY TOO SAY IT.
 IVE DONE & I DID TO ASK FOR HELP. WE
 HAVE EVEN BEEN CUT OFF FROM KIOSK FOR
 DAYS. I BELIEVE THIS IS NO ACCIDENT AS IT
 HASNT APPELLED BEFORE I BEGINS MY
 COMPLAINT AGAINST THESE ISSUES.

Additionally on 8/27/20 at 8:30 a.m.
I asked Sgt. Brewer how to go about
getting the signatures listed on this claim.
He came back and said Lt. Diamond
said no. W. R. F. attempts to destroy my
efforts at every turn.

If so, state the lawyer's name and address:

Conclusion.)

What I've outlined are clear facts. I was only given one complaint form so I had little choice but to provide as much info as possible. There are clearly two justice systems in America and they also exist in W.R.F. the plausible deniability indifference and neglect of Black inmates has been addressed before, yet has gone unremedied this facility embodies the true and correct definition of systemic racism. It is covert, insidious, more deadly as it is a process as opposed to a single action it is a system that is uninclusive that beats you into submission, isolates you ultimately crushing the will, your told these things only exist in your mind so much you almost believe them. You labeled a trouble maker and given medication to dull the mental faculties then dismissed. I will not be so easily discouraged. I feel so strongly about these issues that I have put up my own money to further cause. I hope this is not lost on this court and only legitimates. W.R.F. cares little or if at all for the safety or the well being of black inmates. W.R.F. only wishes to punish and discipline black inmates when deemed necessary yet

Conclusion continued)
 allowing white inmates to continue doing
 as they wish.

And if Mr. Toney did not have me to
 champion his calls the infection would have
 spread to his heart and would have been dead.
 Medical does not care either, they are poorly
 trained and dismissive. Please your honor right
 these wrongs, hold them accountable, as I
 have to be accountable for what brought
 me here. Accountability shouldn't be a
 one way street.
